

Embracing Music

If you have a child younger than seven years old, what daily activities could you add a short song to? (Examples: brushing teeth, washing hands, cleaning up)

Do a quick YouTube search to find a song for each of these activities and save them to a play list!

What instruments can you play? Star the one you enjoy the most.

What instruments can your child play?

What instruments would you like your child to learn?

Do a quick internet search and find teachers you could hire to teach your child how to play each instrument. Write down their names and contact info.

Search for the youth orchestra or symphony that's closest to you. Write down its name and the requirements for joining it.
